Fitting Guide for **Perfect Fit Shutters**

With Blinds4You, fitting for your beautiful new shutter is easy. Just follow this step-by-step guide, taking care to double check as you go and look out for some handy tips to help you save time too. Below is a handy guide for installing Perfect Fit Shutters.

This guide works for:

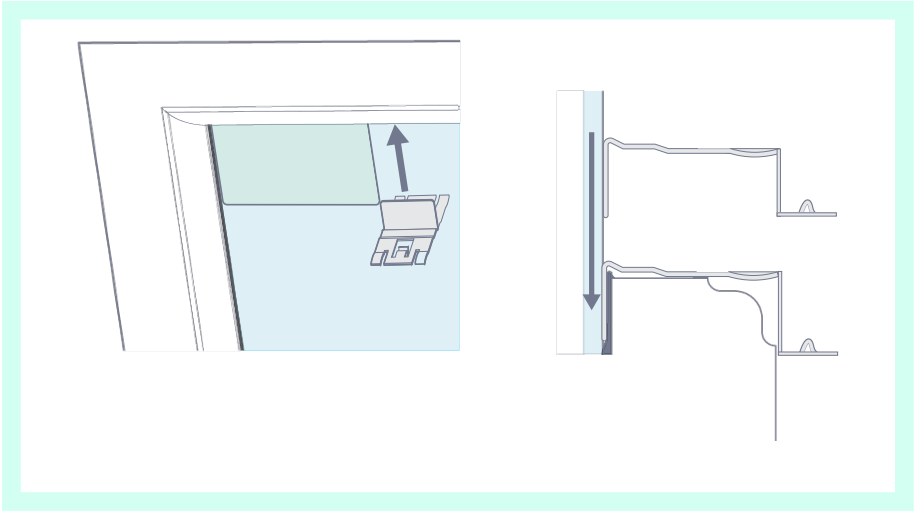
- Perfect Fit Shutters

Installing the Brackets

Use your bank card and place it on its side in the corner of the window frame flat against the glass.

The card should be used as a guide to slot the bracket in place. Carefully push the bracket under the rubber beading at the top and bottom sides of the window.

Repeat this for all 4 corners of your window.



Installing the Shutter

Once the brackets are in place the shutter is ready to be installed.

Line the bottom of the perfect fit shutter frame with with the bottom bracket.

Once the bottom of the frame is clipped in, push the top of the frame into the brackets.
